

Snapshot of Database used:

The screenshot displays the Firebase console interface for a project named 'Student'. The breadcrumb navigation shows the path: **students > SID01**. The main content area is divided into three panels:

- Left Panel:** Shows the 'students' collection with a list of documents: SID01, SID02, SID03, SID04, SID05, and SID06.
- Middle Panel:** Displays the 'SID01' document with the following fields:
 - `attendance`: 65
 - `grades`: An array of objects, each containing an index and a score:
 - `0`: 56
 - `1`: 65
 - `2`: 60
 - `id`: 1
 - `name`: "Rey Dey"
- Right Panel:** Contains options to '+ Start collection' and '+ Add field'.

The bottom of the image shows a Windows taskbar with various application icons and a system clock indicating the time is 16:48 on 25-12-2023.
